4.0 Chairman's Report

Neil thanked all WAMC Officials for the continuing hard work that goes on behind the scenes to make the WAMC the foremost Association for motor sport. He assured those present that they work tirelessly on behalf of the member clubs, even though they sometimes feel as wanted as a United Nations Ambassador at an Arms Conference and he reminded everyone that these are volunteers.

He particularly thanked Howard Evans for his work as the Southern Centre Secretary. His knowledge of the sport and his ability to speak his mind has been an asset to the WAMC. The majority of events held within the WAMC boundary have been to a high standard and have been well-supported, despite the current economic climate requiring that there is more pressure to be aware of keeping costs down and offering the competitors value for money.

He reminded members that our recent success has been due to our willingness to work together to promote motor sport in our patch and that we must continue to liaise with each other, the RLO and the MSA to ensure the future of our sport.

Finally, he thanked members clubs for the high attendance rates during 2011 and he hoped that this would continue throughout 2012 too. He wished everyone a safe and successful 2012.

5.0 Election of Officers

There was only one nomination for the position of Chairperson, Vice Chair, Secretary and Competitions Committee, there was no need for a secret ballot. Phil Jones proposed that voting should be en-bloc, seconded by Ceri Morgan so it took place by a show of hands and each post was carried unanimously.

Competitions Committee Howard Evans

6.0 A.O.B

Jimmy asked if we could nominate another person to represent the Southern Centre at the Competitions Committee meeting, until the situation with Howard is resolved. John Morgan proposed Dorian Evans to do this and he accepted – all agreed.
